St Louis School School Song

Rev. Fr. Janssen

The musical score is written on a single staff in G major (one sharp) and common time (C). It consists of nine lines of music, each with a measure number at the beginning. The lyrics are written below the notes. The melody is simple and hymn-like, with a key signature of one sharp (F#) and a common time signature (C). The lyrics are: All Hail! All Hail! Sa - le - sian School to thee! By time en - deared the more, our hearts shall e - ver e - ver loy - al be to thee and friends of yore, and me - mo - ries that shall ne - ver ne - ver fade wher - e - ver we may roam, shall ri - vet fast the friend - ship made in youth at boy - hood's home. 7th June, 2010

With deep gratitude and joy, I would like to present to you this year's School Magazine.

First of all, let us thank our Good Lord wholeheartedly for his blessings on our School, safeguarding and sustaining us with successes and good results in all areas of school life.

Let us also thank all our staff and student leaders, who have dedicated themselves so much to enrich our school life, making it meaningful, joyful and memorable.

Finally, let us thank all those who have worked with great enthusiasm and sacrifice in producing this issue of School Magazine, recording the school life of this year.

Dear Staff and Aloysians, may this issue of School Magazine help to unite us in thanksgiving, joy and sweet memory.

God bless. Keeping you all in my special prayers.

Words of the Principal 校長的話

Dear Fathers, teachers, parents, old boys, students and friends,

The celebration of the 80th anniversary of St. Louis School has been over and the Open Day of our school has also come to an end. On the one hand, we organized these celebrations in order to show our gratitude to our Fathers and teachers. On the other hand, we also want to remind ourselves to follow in their footsteps and provide our students with a sound education.

St. Louis School is a Catholic school and is being run by Salesian Society. People who know Salesians would know that Salesians used to educate their boys with Preventive System. To prevent students from making mistakes and doing evil things is always better than punish them after they have done some bad things. Reason, religion and loving-kindness are the three important elements in the Preventive System. At first, teachers try to make students understand what is good and what is bad so that students have already known what they should do and what they should not do before they have to do something. In St. Louis, all students have a chance to receive civic education, health education, sex education and religious education. We preserve a period of lesson for General Education every cycle for each class to receive the above said education. After five or seven years, each student would have come across many different topics that are related to moral education. Furthermore, students also have chances to join some religious activities so that their hearts and their minds may be cultivated to become good Catholics and good citizens. Every morning, students would listen to the gospel and say a prayer before their lessons start. Although not everybody is a Catholic, it seems that every student respects the religious activity and begins each new day with some spiritual inspiration. Besides, every student is loved and welcomed by his teachers. St. Louis School is just like a big family. It is full of joy and freedom. Everybody is treated as a mature person and a friend. Friendship is the foundation of the relationships between teachers and students. Everybody feels comfortable at St. Louis School. Lastly, all students are always looked after by their teachers and Salesians so that they are always reminded to behave and to strive for success.

Now, there are many different new educational policies and challenges, including the new 334 system, school-based assessment, Liberal Studies, medium of instruction policy, etc. Teachers have to face many difficulties and bear their heavy work-load. Luckily, the results of the HKCEE and HKALE are very good and can give some consolation to our teachers.

May God bless all of you and St. Louis School.

Yours faithfully,
Fr. Peter Ng
Principal

The School Magazine of St Louis School is a book of collection of different events and functions that are held during the past year. It is a record of unforgettable moments where all the people in SLS share their joy and tears. It is my honour to be the Chief Editor for this year's publication, and I would like to proudly present to you this compilation of meaningful milestones and experiences of St Louis School.

All the important events and achievements of the school are recorded in this year's School Magazine, in which everyone in St Louis School gained valuable and memorable experiences. Through the words and photos, we would like all our readers to share the joyful moments of the school throughout the past year. More importantly, we would invite our readers to witness the wonderful achievements of our students, both in public examinations and in other inter-school competitions.

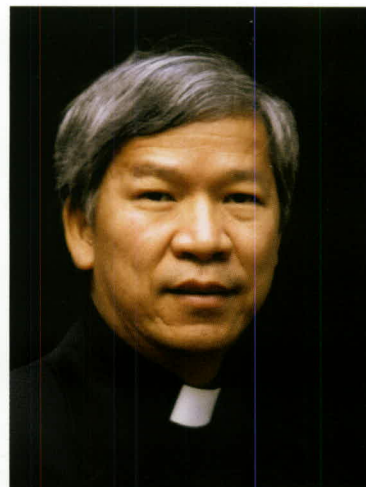

We would also like to share our life in St Louis School to our readers and promote the St Louis spirit to every one of you. A large variety of functions and activities recorded in the School Magazine demonstrate the unique characteristics of St Louis boys-cheerful, creative, enthusiastic, dynamic and talented. Our students also gain support and guidance from our fabulous team of teachers and staff, which is also introduced in the School Magazine.

During the process of the publication, our team worked very hard in every detail. We wanted to make a publication that we could be proud of. It was a tough task, but we overcame all the difficulties together. I would like to take this opportunity to thank all my team members, who went through all the ups and downs during the process of publication with me.

Last but not least, our team would like to show our most sincere gratitude to all the people and organization, who gave us immense support for our publication. We would also like to thank our teachers and school staff for their invaluable guidance over the year.

Now, please enjoy this collection of our school life memories in St Louis School!

SLOBA ALOYSIAN FELLOWSHIP

Convener: Dr. Laurence Wan (1966)

First Associate Convener: Danny Fong (1981)

Second Associate Convener: William Wong (1986)

Secretary/Treasurer: Lapyan Chan (1973)

Executive committee: Patrick Pak (1969); Wilson Chan (1983); Melthon Wong (1993); Eddie Chong (2004).

SLOBA President is an ex-officio member of the Executive Committee. It was Eugene Ha at first, and subsequently Martin So.

As a unique group consisting of mostly former, current (and future) Head Boys with special affection for and devotion to St. Louis School, the SLOBA Aloysian Fellowship grew and developed over the past years since its establishment on April 26, 2008. Aiming at contributing to the continuous well being of St. Louis School and helping strengthen the growth of St. Louis Old Boys' Association, we mentored and sponsored the Outstanding Prefect Awards of the Prefects' Association. And recently, we enjoyed a delightful evening where Aloysian fellows and school prefects gathered and celebrated the 1st anniversary of the Fellowship. These two events, among other activities organized by the Fellowship, not only fostered the bonding amongst members of the Fellowship, but also developed friendship and mentorship between the Fellows and school prefects.

SLOBA Aloysian Fellowship Outstanding Prefect Awards

A representative from the Fellowship executive committee, a representative from the Fellowship prefect affairs subcommittee, and a representative from the members of the Fellowship joined the interview board together with the teacher advisors of the Prefects' Association and the vice-principal. After rigorous nomination and evaluation, 13 candidates were selected and invited for an interview. Comments and feedback were given to the interviewees. The list of outstanding prefects of 2009-2010 is as follows:

Form 3: Ng Wing Yip Brenton, Wong Tsz Ho

Form 4: Ho Tin Long, Wong Shing Kit

Form 6: Chong Kin Lap

PA Committee: Chan Wai Lok

Fellowship Anniversary Dinner cum Prefects-Fellows Gathering

Date: July 13, 2009

Venue: Central Premise of Hong Kong Medical Association

As the Fellowship can be viewed as a continuation of the Prefects' Association, the current members of PA were also invited to join the gathering, so as to strengthen the bonding and affiliation between both parties.

After the blessing by Father Lam and Father Ng, a ceremony was held to admit the immediate past Head Boy, Roger Yeung, to the Fellowship, followed by his brief introduction of the current situation of the Association. The sharing by the six awardees of the SLOBA Aloysian Fellowship Outstanding Prefect Award brought the gathering to a delighted climax. Many of the participants empathized with their feelings. The speeches also touched their peers and they exchanged gifts to reinforce support and care among one another.

To foster the communication between the Fellows and the Prefects, participants were sorted in groups for a presentation competition. Our beloved then-Vice Principal Patrick Pak gave a Chinese character for each team as their topics. The Fellows and Prefects exercised their most fascinating creativity and experience to accomplish the tasks. This intriguing crossover brought the event to yet another climax.

Graduation Ceremony 2008

21st November, 2008

Professor Leung, our Guest of Honor this evening, Fr. Peter Ng, the School Principal, all the honorable guests, dear staff, parents, friends and graduates:

Every year, at this time, we are all eagerly expecting this important moment to come, i.e. the ceremony of Graduation, which is the time to re-capitulate, to give thanks and to look forward to our future.

This evening, we are greatly honored to have invited Professor Leung as our Guest of Honor. We will listen attentively to his inspiring speech. As a matter of fact, we call this evening's function 'speech day', i.e. a day to listen to speeches. We will pay attention to all the speeches we are going to listen and will draw out those good inspirations which would be the guidelines of our life ahead.

As the Supervisor of the school, I have also a part to play in this evening's function, i.e. to deliver a speech which will focus on an important value of the St. Louis Spirit.

This evening, I would like to talk about the importance of 'Good Examples'. Good examples are like torches in thick darkness, like cocks' crows at dawn, like light houses in the sea... In the world around us, in the society we are living and among the people we are mixing with, we may see and are confronted with a lot of evils, darkness, hatred, brutality, injustices, etc. and we may find ourselves upset, disoriented and lost. We need good examples to illumine us in darkness, to wake us up from sleepiness and to guide us in the midst of confusion and troubles.

I would like to tell you a short story which may illustrate the magic of good examples:

There was a boarding school in England. In one of the dormitories, there were around 15 boarders. All were of 14 to 16 years of age. Among them, there was one called Tommy who was the leader of the group. At the start of a school year, there was a new comer called Louis. Everyone was eager to know more about him.

In the first night, before sleeping, this new comer, Louis, knelt down at his bed side and started praying quietly. Everyone was surprised and then became annoyed. Some started sneering at him, others shouting with bad words... One of them even threw a slipper at him. But Louis stayed calm and immersed in his prayers. Tommy was also shocked

by this piety but he kept silent. Some strange feelings came over him. He remembered when he was small, he was also used to kneel at his bed side, saying prayers together with his mother. His mother would help him to join his small hands together, giving thanks and praise to God. He was happy at that time and waited every night for this moment to pray together with his mother.

That night, he could not sleep. These sweet memories of praying together with his mother at the bed side came over and over again in his mind. He realized that he had dropped this practice long ago and life seemed more frustrated, disoriented and not happy.

The following night, everyone was preparing to do something more violent if Louis prayed again. As if nothing had happened, Louis knelt down at his bed side and started praying. The whole dormitory was about to burst into confusion. But just at this moment, very unexpectedly, Tommy also knelt down in front of his bed and started praying too. Everyone was shocked by this sudden action of Tommy and was stunned. Nobody dared to move and remained silent and seemed to be ashamed of what they had done the night before.

Dear graduates, this good example of Louis changed Tommy and also his fellow room-mates. We could see the magic of good examples.

In St. Louis, all through her 80 years of history, so many reverend Fathers and Brothers, so many teachers and staff have set very good examples for us. Our school's good tradition was then established. Our character and behavior were then influenced and molded.

Good examples of self discipline, of integrity, of hard-working, of gratitude, of kindness and of reverence to God were found in the past and are found also at the present in our school. We have started a long chain of good examples and it is now the time for you, dear graduates, to join in and continue this long chain. Please don't hesitate to set good examples in front of your fellow students, in your family and in the society you are living. You would become torches in thick darkness, cocks' crows to wake people up and light houses to guide people to their destination.

May God bless us all to be the Light of the World and the Salt of the Earth.

The Interclass Choral Verse Speaking Competition

26th November, 2008.

The Inter-class Competition involves all Secondary 1 to 4 students and their respective English teachers. It provides an opportunity for students to improve their spoken English (particularly their pronunciation, stress and intonation) and develop their imaginative interpretation of English poetry. The competition in 2008-09 was judged by the drama NETs and Mr Michael Lloyd who unanimously agreed that students' performances were of a high standard.

Our teacher, Mr. Michael Lloyd, and the drama NETs were the adjudicators for the competition.

「奧運精神・奮進人生」福音劇

舉世觸目的北京奧林匹克運動會在2008年8月舉行，當中發生了許多精彩及戲劇性的場面，確實扣人心弦。其中有許多事件可成為中學生難得的公民品德生命教育的珍貴題材，所以本校宗教活動組特意在2008年12月8日的聖母無染原罪瞻禮上以「奧運精神・奮進人生」為主題，並邀請十位老師和數位同學合演奧運勵志劇。

劇中各位老師幽默惹笑的演出，令全校同學拍案叫絕，例如：周燕紅老師飾演郭晶晶運送聖火時，力拒示威者潑水；李均豪執事演體操王子李寧燃點聖火；管惠遠老師與學生的相撲決賽中說明驕兵必敗；蘇浩賢老師演大力士舉起千斤槓鈴；尹志剛老師一劍震神州；梁想平老師演劉翔因傷退陣，更令人難忘。總之，公民品德宗教教育的傳授方式是可以生動活潑的，而借用日常生活、社會大事以幽默惹笑方式演繹是可以達到事半功倍的效果。

Christmas Party

The annual Christmas Party was held on 22nd December, 2008 at the football pitch. Teachers and students were delighted and the School was filled with joy and blessings.

The event started with a Bible Service, with our Head Boy Yeung Wing-cheung leading the prayer for us, wishing peace and improvements for the students. Our supervisor, Father Lam, and principal, Father Ng, also gave their blessings to all the teachers and students.

The Bible Service was followed by a game 'Bingo' held by two Form 6 students. Teachers were asked to draw the numbers for the bingo game. All the students were enthusiastic about the game and actively participated. Of course, the winning teachers and students were exceptionally excited.

The Christmas Party ended in the sounds of cheers and hails. But this is not the end of the day. After the Party the students returned to their own classrooms and celebrated the seasonal occasion with their teachers. All the students enjoyed great feasts prepared by the teachers and students and the exciting games with their classmates. Definitely it would be one of the highlights of this school year!

Father Deane Achievement Award

The Father Deane Trust Fund was first established in 2000 for the purpose of providing supplementary care to Father Patrick Deane (1926-2007), the former Prefect of Studies from 1964 to 1981, and Principal of St. Louis School from 1981 to 1986. Fr. Deane created an environment which balances the development of the talents of the gifted students on both academic and extra-curricular activities, while also encourages the other students to step forward and take more responsibilities.

The teaching philosophy of Fr. Deane shall not only be remembered but more importantly be practiced. In memory of his great contributions, the Father Deane's Achievement Award was set up in 2008 and its objective is to identify and recognize those students who have made a difference for the School and/or the Society. Students are eligible to apply regardless of whether their achievements are highly recognizable or insignificant in others' eyes, and whether they are well diversified or highly specialized.

The first award presentation of the Father Deane's Achievement Award was held on 23rd January 2009. Each award winner was presented with the award, together with a scholarship sponsored by the Father Deane Foundation Fund. To praise and recognize their achievements, their names were also engraved on the FDAA Hall of Fame, which was specially designed for the Award. It is hoped that their achievements will be well-remembered by their fellow schoolmates. It is also hoped that it will encourage fellow students to develop their talents and potentials in different areas.

After going through a series of application procedures and panel interviews, one student is chosen from each form to be the winner of the Father Deane's Achievement Award. The list of winners for the academic year 2007 - 2008 is as follow:

- S. 1 LAW Tak-Lok, Owen

Talent Time 2009

無疑，Talent Time歌唱比賽是學校一年一度的盛事。

從最初的構思和準備，到兩天的初賽及在上環文娛中心舉行的決賽，老師和同學用盡心血，為的是給觀眾來賓、參賽同學及他們的支持者一個好不難忘的「聲」夜。於一月二十四日，Talent Time 2009在熱切期待及熱鬧氣氛中圓滿結束。

第一回合的比賽形式與以往不同，十二位參賽同學須自選由女歌手主唱的歌曲來較量清唱；為了增強表演的效果，他們可自由調動音調。這一回合，給觀眾耳目一新的感覺。

參賽同學在舞台上都各展所長，竭盡所能，爭奪獎項。除了冠亞季軍外，還設有「最佳台風獎」和「最佳服裝造型獎」。這兩個獎項都是由全場觀眾一人一票所選出的，最後，分別由吳宗驥和鍾朝山奪得。蔡俊彬則以一曲「我還能愛誰」力壓群雄，獲得評審垂青，勇奪冠軍。

當晚星光熠熠，新晉跳舞組合Bro5的載歌載舞，各友校朋友的甜美歌聲，已讓觀眾拍掌叫絕。樂壇歌手狄易達、賈曉晨和G.E.M.更現身場館，傾力獻唱，全場氣氛變得更熾熱。

Talent Time能得如此成功，除了因為參賽者的落力演唱外，幕後默默耕耘的工作人員也功不可沒。今屆好評如潮的Talent Time就是由張超棋老師以及一眾同學策劃而成；他們在背後的努力和付出，值得大家的讚賞。

這一夜，真的十分不平凡！

Our 80th Anniversary Open Day was held on 25th to 26th April, 2009.

Eighty years is not a short period for a school. Throughout these years, our teachers' effort and our parents' support and love have blossomed and given us the fruitful result which we witness at the present. We wish that under the guidance of our Lord, we could provide the fertile land for our boys to learn and grow happily and to serve, exemplifying the virtue of "knowledge and piety".

We were honoured to have Mr. Fung Hing-wang, JP., Commissioner of Census & Statistics Department, Hong Kong Special Administrative Region, an old boy, as our Guest of Honour for the event. The Opening Ceremony was officiated by Mr. Fung Hing-wang, JP., and other guests and our school managers on 25th April, 2009 at 3:00 p.m.

Performances of lion dance, Chinese Music performance by the School Orchestra, Kung Fu performance by school Wing Tsun Class, and plays by the primary students were also arranged. Guests enjoyed the interesting demonstration of live music and drama, as well as the exhibition of a computer control robot and other science experiments.

The Open Days provided an opportunity to show our achievements in the past and the present. The precious and memorable moments were recaptured in the "Museum of the St Louis" in our General Purpose Room. Many old boys who spent their old days in this place also revisited their memories in the photo albums, discovering lots of happy moments.

Displays and exhibits were prepared for our guests to know more about the history and culture of our school, the teaching and learning in St Louis, as well as our achievements in various extra-curricular activities. Some parents also enjoyed their visit with their children in on-spot arts and crafts workshops.

It took months of preparation of our teachers, students and voluntary parent helpers to bring forward such a successful Open Day. The School would like to take this opportunity show our gratitude to those who have supported the event all along.

Interclass Drama Competition 2009

29th May, 2009.

St. Louis Interclass Drama Competition 2009 is an annual class-based competition in which students, under the guidance and support from Drama NET and English teachers, enjoyed and plunged in enthusiastically in the production of a short play on stage. All students from S1 and S4 were given a platform to unleash their flair in script-writing, designing props, costumes and fliers, acting and staging a performance. This year, the fun-packed and exhilarating class event fell on 25th - 29th May 2009 at the School Hall. Students were given ample opportunities to write or adopt a play script on a range of genres and topics, varying from well-versed fables, movies, sit-coms to action plays. We were much honored to have Mr. Joseph Hasting (Drama NET), Mr. John Hutton (Drama NET) and Mr. Michael Lloyd (NET) as our adjudicators. Without their support, we would not have such a rewarding drama experience.

Our team of professional adjudicators.

Mr. Michael Lloyd giving feedback to the students' performance.

Having said so, we by no means belittled the onerous work and countless hours of rehearsal made by the energetic and dedicated English teachers. It's the concerted effort made by the English teachers and students that made the drama competition an astounding success.

Principal's School Report 2008-2009

Our honorable guest Professor Leung Chun Ming, Vice President of The Open University of Hong Kong, Fr. Simon Lam, Provincial of Salesians of Don Bosco, China Province of Mary Help of Christians, ladies and gentlemen, teachers and students,

It is my honor to give a report on our school's academic result, extra-curricular activities' achievement, moral, civic and spiritual education and the support of our parents and old boys.

Last year, it was really a year of great harvests. We celebrated the 80th anniversary of our school with four big functions, the walkathon, thanksgiving Mass, variety show and thanksgiving dinner. Many parents, old boys and guests were invited to join the functions and were glad to see that the celebration was very successful.

Furthermore, our F.5 students obtained a very good result in the HKCEE. I think it was the best gift that the school had received from our students for celebrating the 80th anniversary of St. Louis School. The best results in the HKCEE was 7As and 2Bs and the percentage of all Form 5 students getting at least 5 subjects passes was 87.2%. 98.3% of our students passed in English Language (Syllabus B) and 94.4% in Mathematics. Totally, our students obtained 82 distinctions and 517 Cs or above. In HKALE 2008, the best result was 1A and 2Bs and the average pass rate was 87.8%. 96.4% of our students passed in Use of English and 100% passed in Principles of Account and Biology. Besides, two of our students successfully obtained the Sir Edward Youde Memorial Prize and four of other students also obtained the Best Improved Students Awards 2007 offered by the Lion and Globe Educational Trust.

In the extra-curricular activities, our school team of F.1 students was the champion of the F.1 English choral verse speaking in the 59th Hong Kong Speech Festival and two of our F.1 boys and a F.2 boy were also the champions of the English solo verse competition in the same Speech Festival. In a Chinese Language competition organized by the Hong Kong Institute of Education, the 1st runner-up went to our F.6 students. In the inter-school football competition, our football school team was the overall first runner-up. In the inter-school swimming competition, our swimming school team obtained one silver medal and four bronze medals. In the inter-school cross country competition, our Grade A and Grade B school teams were not only the champion and the first-runner up respectively, they were also the overall champion. On the other hand, our boy scouts are also very talented. They obtained the overall championship in the Island Scout Olympic Championships organized by the Scout Association of Hong Kong. They were also the first-runner up of the Hong Kong Island Region Foot drill Competition 2007.

It is a fact that our students are quite successful in their studies and extra-curricular activities. However, they should not forget and should thank their teachers for their teaching and coaching. In fact, our teachers are faithful and dedicated. All of them are fully qualified. 37.7% of our teaching staff obtained a Master's degree. 60.4% of our teachers are holders of Bachelor degree of Art or Science. 98.12% of our teachers obtained a postgraduate certificate or diploma in education.

Besides academic studies and extra-curricular activities, our school also provides our students with religious, moral, civic, sex and health education. Each student has to attend two periods of Religious Education every cycle. Through a systematic and balanced curriculum of religious studies, our students may acquire some valuable values and some positive attitudes. Our students also have to attend a period of General Education every cycle which would cover different topics of moral, civic, sex and health education. In order to let our students have more chances to know about the outside world, some of our old boys who are the experts in the field of finance, civil service, civil law and public health were invited to come back to their alma mater and gave talks to our current students during the period of General Education. Our school also makes every effort to create a positive culture by putting the Preventive System into practice, which was actually started by St. John Bosco, the founder of Salesian Society. We encourage our teachers to be always with their students and to look after them with love and care. Under the guidance of teachers, our students can learn many life skills and positive values directly from their teachers.

In our school, there are three student organizations, Prefect Association, Student Activities Association and Houses. Through running these organizations, our students can learn how to collaborate with one another, how to communicate with one another and how to become a leader. I would like to say that our students have already started their life-long learning by joining these organizations and their activities while they are studying at St. Louis School.

On this occasion, I would like to thank our old boys for their generous contribution. Besides giving talks to our students, they are also spending their valuable time to be the mentors of our senior form students. It is a fact that our old boys are some great resources that can provide our students with different kinds of career-related experience. At the same time, I also have to thank our parents for their services. Last year, they often subsidized our students so that many students could participate in various kinds of extra-curricular activities. Our parents also organized some seminars for our students and parents in order to help our students and parents acquire some learning skills and communication skills. Last summer, they even organized a summer camp for our junior form students so that our students could acquire some study skills and obtained some self-discipline training.

Lastly, I would like to thank all of you for coming to this graduation. Your presence really gives us a lot of joy and great encouragement. May God bless all of you and your families. Thank you.

Introduction of SAA

Student Activity Association, abbreviated as SAA, was established last year. Though it's a newly formed organization, SAA shares the same mission as the former Independent Clubs Association and the United Houses, both of which were established in 1973. We aim at serving our students and facilitating the running of extra-curricular activities in school.

To serve our students in school, apart from providing Students Welfare and Stationery Sale Services for our fellow schoolmates, we will also hold the Junior Training Program, F.6 Orientation Camp and many other school activities. Regarding to the projects between schools, we will organize different joint school functions, such as the Joint School Oral Practices and Joint School Christmas Ball. Through different kinds of functions, we hope we can develop participants' self confidence, and enhance their communication and leadership skills.

The association is composed of 12 F.6 students, who were elected in the F.6 orientation camp, and 5 F.3 and F.4 committee members, who were selected in early September, as the executive committee.

This academic year, there are totally 17 clubs under the SAA and the clubs are divided into three departments,

Every Year SAA organizes many different internal and external functions. The followings are some programs in the academic year 2008-2009.

1. Joint Club Exhibition (JCE) - by Chan Ka Hoo

Date: 26th September, 2008

The Joint Club Exhibition (JCE) was successfully held on 26th September, 2008. To all schoolmates, it might be the most exciting school day after the school term started as all the lessons in that afternoon had been suspended to allow students completely immerse in the activity.

The origin of the Joint Club Exhibition can be traced back to decades ago. It aims to promote the extra-curricular activities which are going to be held in the new school year. In the exhibition, all activity clubs open counters to recruit new club members. The clubs, as well as other organizations such as the Chinese Orchestra and Scout, also set up booths in the school campus to provide games and information about the clubs and teams for schoolmates.

Like the JCE over the years, this year's was also a great success. There were over twenty booths providing games

ranging from electrical circuit making in Science Society's booth to basketball shooting in Basketball Club's booth. The decoration of the booths was also fascinating. For example, the chairman of the Interact Club created a human-size 'Rotary Superman', which attracted every student and even teachers to get a closer look. It was therefore no wonder that every booth was saturated with dozens of students.

Behind the success of the JCE, the effort contributed by our f.6 students should never be neglected. Being the committee member of different clubs and organizations, they spent a lot of time in designing the games and in decoration. However, they all agreed that their effort had never been wasted. Mr. Ko, the chairman of Outdoor Activity Club exclaimed, 'Every time when I see a schoolmate leave our booth with smile, I am more sure that my contribution worths!'

2. Masking yourself - Bal Masque (Joint School Christmas Ball) - by Jesper Wong

Date: 24th December 2008

2008 Joint School Christmas Ball was successfully held on the 24th December 2008 at Leighton Hill Community Hall. It was mainly coordinated by Precious Blood Secondary School and St. Louis School. Also, St. Francis Xavier's College, Pui Tak Cannosian College, St Joan of Arc Secondary School and St. Clare's Girls' School gave of their best to support the ball. The theme of the ball is Bal Masque, meaning masquerade in English.

One of the most special features of the ball is that, every participant would receive a mask when they entered the hall and they had to put it on compulsorily to create a mysterious atmosphere.

The soul of the ball - the part of dancing was started by the lead of the dancing teachers - Daniel and Jenis. Everyone followed the instruction from Daniel and tried their best to invite their desirable dancing partners to have a romantic Waltz Dance. Meanwhile, services of instant photo taking and flower selling were so popular, showing that participants were willing to treasure such a memorable night with a photo with their partners or lovely flowers.

After dancing, the band show reached the climax of the night as two students from St. Louis School, Helios and Tommy, gave a singing performance, impressing all participants.

The excitement of the participants continued when they were electing the ball king and ball queen of the night. At last, the ball king from SFXC and the ball queen from PBSS were elected and they gave us a dance performance.

The whole night ended with lucky draw and prize presentation. Participants left the hall reluctantly with their newly made friends and would never forget the amazing night.

3. Stationery Sale - by Leung Ho Wai

Date: November 2008 to May 2009

Bargaining with businessmen over the price of their products is tough. The stationery supplier "Man Lam Stationery Company" at first refused to offer us a better price. I kept calling the company to persuade them. My effort was not in vain and they finally agreed to offer us a good price.

Handling money is more complicated than I expected. It was not until I had planned for a week that the order form of stationery was made. I spent a lot of time in deciding what kinds and quantities of stationery I should purchase lest any wrong decisions would cause a deficit. This was the first time I made a decision so prudently. Fortunately, I finally managed to accomplish this task.

The first day of the sale, 12th November 2008, was a remarkable success. During lunchtime, many students flocked to our store buying stationery sold at very cheap prices. Almost half of our stock was sold on the first day. The sale aimed at alleviating students' economic burdens and was well received by all students.

If the teacher advisors and my colleagues of Students' Activity Association (SAA) had not given me generous support and advice, the sale would have been aborted. My heartfelt thanks should be given to all people who helped me during the preparation of the sale. The three teachers advisors, Mr. Lai Tak Wai, Mr. Chong Wing Kit and Mr. Wan Chi Kwong, all of whom are so benevolent and helpful, should be praised and hailed as models of teachers. Even though I troubled them a lot during the preparation, they never moaned but kept helping me solve the problems confronting me. Tommy Chung, the Chairman of SAA 2008-2009, is not just a competent leader but also a very supportive friend of mine. His help was crucial during the preparation. Captains of United Houses and all other SAA comrades help me operate the sale so smoothly on every Wednesday. I sincerely pay tribute to all of you.

The sale still has months to go and more hardships may arise in the future. Despite the challenges, SAA members are all determined and prepared to serve our school and our schoolmates.

4. SAAddress (SLS 80th special version)

Date of publication: 25th, 26th April 2009

SAAddress is the official issue of SAA which includes reports from clubs and houses, introduction and promotion of coming events of SAA. This year a special version of SAAddress was released during the Open Day of SLS, including not only the aforementioned information, but interviews of former Chairmen and present House Captains. The feedbacks are very positive.

5. Staff-and-student football match - by Chung Hiu Fung

Date: 8th December 2008

This academic year, the Staff-and-student Football Match was held successfully on 8th December 2008 after the celebration of the Birthday of the Salesian Society. The

football match aims at promoting the harmonious relationship between teachers and their beloved students.

The F.6 members of the Student Activity Association (SAA) and Prefects Association (PA) were the representatives of the students as these two associations are in charge of most of the student activities in our school. The lineup of teacher representatives was a very strong one. Our Principal Fr. Ng, teacher advisers of SAA Mr. Chong Wing Kit, Mr. Rigas Wan and Mr. Lai Tak Wai were the key player of the whole team.

As soon as the referee blew his whistle, the heated battle began. During the first half of the match, the offensive tactics of the teacher team made the soccer players of the student team become involved in a hopeless situation as the teacher team scored two goals. Just before the end of the first half, Chu Tat Ming got one goal, breaking the deadlock of the student team.

The second half of the match was more exhilarating than the first half. Even the student team got behind in the game; they had organized lots of fantastic dribbles and tactical attacks. However, the ball missed the goal by a few inches. Mr. Chan Bit Leung of the staff team made the determining goal, consolidating the victory of the staff team. Similar to the end of the first half, the student team scored one more goal just before the whole match came to an end. Lamentably, this goal could not turn the tide. The match ended with 3:2 and all the staff representatives were ecstatic with their victory.

6. Christmas Celebration (After-mass activity)

Date: 22nd December, 2008

In order to celebrate the meaningful and gracious Christmas day, the Student Activity Association (SAA) held an after-mass activity on 22nd December, 2008 at the football playground. The ceremony began at 10:00 a.m. and ended at 10:45 a.m. Since SAA aimed of taking the chance to enjoy

the grace and joy with all the students and the teaching staff participated in the activity. At the same time, all the members and teacher advisers of SAA were involved in the organization, cooperation and different duties of the activity. We all agreed to hold "BINGO" as the game for all students and teaching staffs, because it could easily get all the people involved and at the same time, we can give out presents through the game. Due to the effort of the three MCs and all the helpers, the game ran smoothly and successfully.

As the P.I.C. of the activity, I need to say thank you to all the teacher advisers and members of SAA. Their great effort and work greatly reduced my pressure and workload. Since it was the first time for me to organize such a big and important activity, I felt nervous and lost my nerve at times. But with the help of Mr. Lai Tak Wai and other members, I just know how to prepare well and allocate all the work and duties. I was glad and happy to see the success of the activity. By looking at the positive feedback and reaction of students and staffs, I felt all the efforts we made were not meaningless at all. And I could get valuable experiences and memory through the activity. Honestly that was an unforgettable experience. Although there were some minor defects, I think that through our great efforts, we have obtained the best result for us.

Christmas Celebration

Lily House

This year, we Lily House did well in a myriad of inter house competitions. Although we have the least number of form 6 house committee among the five houses, we still have panacea for it - our unity and commitment. After a year of house competition, we came third in The Crystal Bowl. Although we are not the champion, we all Lily house committee enjoy to work for the house, and we are glad to see the devotion and growth of all Lily house members.

The Swimming Gala

As the first competition, we make every endeavor to get the championship of it. Through training section, we exploit some house members who have potential to participate rely. Also, we work from dawn to dusk to prepare the materials for cheering.

With the effort of our house members, and the support from our cheering team, we won the B grade championship. We came second of the overall result. Although we cannot get the championship, the year result is much better than last year result. We think that we can replace the championship of this year swimming gala-Shamrock in some not too distant future.

Sports Day

In order to prepare the most contested house competition, we organized a series of track and field training for out house members from October to January, so that all members can perform as well as they can in the school's sports day.

Unsatisfactory, though the result is, we are gratified to see the persistent of all Lily House members.

Inter house competition:

In the past, we achieved good results in other inter-house competitions. We were the champion in senior and junior inter house table tennis competition and Fu Chi Shield competition. We were the 2nd runner-up of senior and junior basketball and football competition, and the Chinese chasseeing. We very much appreciate all Lily House members who participate in the aforementioned house competition.

Not only did we join the house competition, we also organize several functions to step up the sprit of Lily House and sense of belonging.

In September, as usual, we held the annual general meeting to let all house members familiarize themselves with our new committee members. We encouraged them to join all the house competitions no matter how they perform.

From January till now, we organized an all- rounded football training for the junior house members. Through the training, we hope that we can nurture a group of football players for the house and develop their potential. The training was held every Saturday. The training was tough and harsh, nevertheless, all the team member persisted in the training and their perseverance worths our whole-hearted praise.

After the sports day, we held a tea party to thanks all Lily house members for their participation in all inter-house competitions. We bring as many members as we could to enjoy the food, have fun and laugh.

Last but not least, we hereby would like to express our gratitude to our house master, Mr Chan Shui Leung and Mr So Ho Yin for their support. In addition, we would like to thank all our committee members and all Lily house members for their participation and dedication to Lily House in multifarious way. Only when all house members contribute can we get a good result. We firmly believe that this year result of Lily House hingers on every house members' effort.

"No pay, no gain" a house succeed not rely on house captain, or house committee, but on all house members. We hope that, in the future, all Lily House members can devote themselves to Lily.

Rose House

Introduction

Rose has always been valued for its beauty and fragrance and inherits a long history of symbolism and meaning. It is an ancient symbol of love and beauty. The Rose House of St Louis School also bears this spirit - to love and care for our members and to radiate the beauty and glory of Rose.

In 2008-2009 academic year, Rose has achieved splendid results. We stunned the other four houses with the performance by our house members and our tremendous cheering in every inter-house competition. With the great determination and the whole-hearted devotion of our house members, Rose set out to achieve a glorious result this year.

Swimming Gala and Sports Day

With the generous effort made by our former House Captains and the house members, we managed to achieve better and better results in these years. In swimming gala, we seized the A Grade Overall Champion. And our house member Yuen Hin Heng and Cheng Kun Yin got C Grade Personal Overall Champion and A Grade Personal Overall Champion respectively. In the end, the Swimming Gala Overall Championship slipped from our hands for a few points. Though we shared our sadness in the rain, we determined to seize the trophy next year.

We started our running practice in October. And finally our effort was rewarded as we won the C Grade and B Grade Overall Championship. Also we continued to claim the Sports Day Overall Championship for the second time. Besides, our former House vice-Captain Hui Yi Yuk was crowned the A Grade Personal Overall Champion with his astonishing result of four gold medals. We shared our joy with our former House Captains and vice-Captains who came to support us that day. After all, what we cherish the most is not the trophy we have won, is the loyalty of our Rose House members. We are all proud to be Rose House members.

Inter-house Competitions

We had satisfactory results in inter-house competitions this year. In Senior Football Competition, we were crowned the championship.

Unfortunately, we lost in Senior and Junior Basketball Competition and the Fu-Chi Shield. We were the 1st runner-up in these competitions. Even though our members' performance deserved a better result, we have tried our best.

Other House Activities

We had organized an annual general meeting for our house members to get familiarized with one another. Also, in order to help our junior house members to improve their academic results, we had organized after school tutorial classes for them and hoped that they would also take care of their junior house members in the future.

Vote of Thanks

First of all, we would like to express our gratitude to our house master and mistress, Mr. Ho Wai Leung and Ms. Tse Yat Han, who had sacrificed their time and devoted themselves to Rose House. Then we would like to thank our house committee members from form three to seven. They have done a remarkable job in managing house affairs. Last but not least, we would like to thank all the Rose House members for their contribution to Rose House. We hope the blossomy Rose will continue to strive for better result next year.

Shamrock House

Introduction

The many championship of Shamrock does not imply our member's excellence, but their dedication and diligence. Although we take great pride in our achievements, we keep a low profile and strive to improve. We thrive on hard working which is the only way to success.

New Shamrock Committee (2008-2009)

“齊上齊落! We are Shamrock!”, the new slogan this year, resonated through the meeting room, marking the establishment of the new Shamrock committee. That many competent members had left the school posed a great strain upon us. We were afraid that Shamrock might be on the wane. The new captain and vice captains, however, showed no fear. They consoled all committee members with their powerful words, united them by their spirit, and motivated them by their aspiration.

Swimming Gala

Our four successive years of triumphs over the Swimming Gala were great impetus for Shamrock to improve. The swimming practice began in summer holidays. The swimming pool was crammed with our members, all of whom were eager to contribute to Shamrock. Finally, we succeeded. The five successive years of victories were so honorable that our sweat and tears were not in vain.

Sports Day

The Waterloo last year by no means discouraged us from striving for better. We started to provide our members with demanding but fruitful athletic training. We were convicted that diligence would compensate the great loss of competent members. Being desperate for improvement, all members persevere with the formidable training. We got the 1st-runner-up at the end.

Inter-house Competitions

Choosing participants for the competitions was not an easy task, as there were too many able members. It was so difficult to choose the best from the best. With the brilliant members, Shamrock had good results in all

the competitions, leading to our overall house champion this year.

Crystal Bowl

Ever since the birth of Crystal Bowl, an award for the overall house champion, Shamrock has been holding this honor. But we all know that we have much room for improvement. Striving for the best is always our maxim.

Words of 08-09 House Captain

Shamrock members are diligent, united, and above all, righteous. Never do we use any unscrupulous tactics to win. If we merely focus on results, we can hardly enjoy competitions in which spirit and unity transcend all.

The establishment of houses aims at boosting unity and harmony among students, but not conflicts and hatred.

This year, Shamrock faced a lot of difficulties. My leadership would have been a fiasco if teacher advisors, committee members had not given me generous support and advice. My heartfelt thanks should be extended to them and my house members, all of whom are devoted to Shamrock.

The success of Shamrock hinges on members' dedication and fraternity. Our house will grow tremendously as long as we join hands with each other. The spirit that unites all of us will help us endure adversities and challenges. Witnessing the growth of my members is the only reward to which I attach much importance.

“齊上齊落! We are Shamrock!” clearly demonstrates the spirit of all Shamrock members.

Thistle House

The competition between Houses is fierce. There are no easy victories and no easy championship. We faced the problem of manpower shortage this year as we had only five eligible Form 6 Committee members and lots of our competitive swimmers and athletes had graduated and left school. Even so, with the dedication of our house committee members in the lower forms and our members' enthusiastic involvement, we managed to weather most of the challenges and garnered great achievement this year.

Swimming Gala

This year, we had an even greater turnover because of the departure of many of our excellent swimmers, especially our A-grade individual overall champion. It is difficult for us to get a higher ranking among the five houses. Although we could not notch up any overall championship in the swimming gala, we strengthened our sense of belonging through the active involvement of our cheering team. This will be our greatest inspiration for future success.

Sports Day

On the Sports Day, the spirit of Thistle members was high. In every relay, our cheering team cheered until they were hoarse. Although we were not the overall champion in this year's Sports Day, our athletes still managed remarkable achievement. For example, we won the A-grade 4x100 m relay championship and got the title of 1st runner-up in many other relays. Furthermore, our house members performed outstandingly well in their individual events. Au Yeung Shing Lam of Form 4C got the B-grade individual championship again this year.

Inter-House Competitions

This year, our house swept half of the championships in the inter-house basketball and football competitions: the inter-house senior basketball championship and the inter-house junior football championship. We got these

overwhelming victories in both competitions because our players showed their very best in every match they played. What pushed us to play hard was not the prize of the championship but the spirit of brotherhood. That is what all our players treasure and what makes us strong.

As for the results in the other inter-house competitions, albeit unsatisfactory, our participant members showed their best in the table tennis competition, the Chinese chess competition and the Fu Chi Shield Competition. despite the unsatisfactory outcomes, we have no regrets.

Acknowledgements

We would like to take this opportunity to express our gratitude to our house masters - Mr. Leung Sing Pui, Billy and Mr. Wan Chi Kong, Rigas. They have devoted their precious time and given their full support to Thistle House. Moreover, our house members did a great job this year. Although we were behind the other four houses, our members did not give up and did their utmost to catch up. Their effort and spirit are the inspiration for Thistle House to continue pursuing the Crystal Bowl for the foreseeable future.

Tulip House

This year, Tulipians did their best in all kinds of inter-house competitions. Although the results were not very outstanding, we have successfully promoted the spirit and brotherhood of Tulip members.

Thanks all committee members and house members without their support, Tulip would not be so united. Special credit goes to our house master and mistress, Mr. Koon Wai Yuen and Ms. Poon Fung Chi, without their assistance, all activities and events would not have run so smoothly.

Annual General Meeting

At the beginning of this year, we held our annual general meeting to introduce our new committee members to all Tulipians. We also encouraged our members to join the Swimming Gala.

Swimming Gala

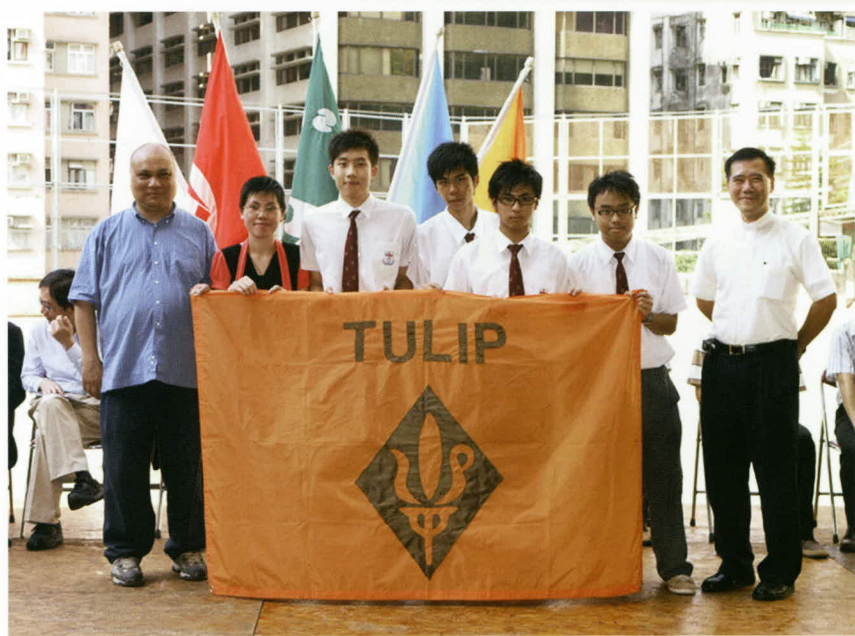

Although we did not win any titles this year, our members really enjoyed the event and the sense of unity was highly appreciated.

Sports Day

In the annual Sports Day, we put great effort to strive for our best. Despite the fact that we were not the champions in A, B, C grade events, we got the championship in the cheering squad, this showed the loyalty and unity among Tulipians.

At last, we sincerely hope that next year our members can win more trophies for Tulip. Always remember the spirit of Tulip 'strive for the best, beat the rest!'

Representatives from our 4 sections

This academic year (2008-2009) marks the 69th Anniversary of the establishment of the 16th Hong Kong

Group since 1940. Currently, our Group is made up of 2 Grasshopper Rings, one Cub Pack, one Scout Troop and one Venture Scout Unit.

In recent years, the demand of duties performed by our leaders has been growing tremendously. Thanks to the support and referrals from a number of old committed members, and the new blood who joined our Group to ease our constant shortage of manpower. In order to strengthen communications among the leaders of different sections, leaders from each section were sent to sit in a Leaders' Council and regular meetings were held. In the meeting, we shared our experiences in tackling the affairs and problems arisen in different sections.

On 6th September 2008, we held an Annual Group Function at "Tai Mei Tuk BBQ King" (a BBQ Centre). Most of our members took part in this activity. On that day, though the weather was far from satisfactory, ceremonies like the promotion of leaders, patrol leaders and assistant patrol leaders of different sections went on without any disruption. Afterwards, we enjoyed a splendid barbecue dinner at the centre.

Annual Group Function 2008

To celebrate the establishment of our Group, the Annual Campfire took place on 22nd November 2008 by the Venture Scout Unit and Scout Troop. The theme was "Joker". Over 160 guests from various Groups were invited to attend the campfire. The base games and refreshment aroused the interest of our audience. We have to thank Rev. Fr. Simon Lam, Rev. Fr. Peter Ng, Rev. Br. John Lee and the school for their unflagging support.

A glittering fiery campfire model

On 15th March 2009, a number of leaders took part in a competition called Island Scout Hike 2009 (港島童軍毅行2009) organized by the Hong Kong Island Region. Participants were required to complete a 50-km grueling route along Hong Kong Trail. Finally, we got the first-runner-up in the Leaders' Team. Thank you for the effort from our leaders.

As the 70th Anniversary of our Group was drawing near, a series of major events leading to this big festive celebration began in early 2009.

The first function was an open house exhibition to introduce our Group. Roadshow banners, prizes and old snapshots were on display in F.3E classroom during the "SL80 Open Day" on 25th-26th April 2009. Many ex-leaders and ex-members visited our room and gave a high comment to our work. We would like to thank for the support given by our ex-members in contributing their valuable old photos.

Our dearest patron Fr. Lam visit on SL80 Open Day

Our pioneering tower mounting high at the Football Pitch

Besides the displays and exhibits, we spent a lot of time mounting up a huge pioneering work, "a four-legged watch tower" (四腳瞭望台), at the Football Pitch. The process of

constructing this great work was not disrupted despite the inclement weather. Our leaders, ventures and scouts kept working on the strong structure, fastening the bamboos firmly that would allow it to withstand the heavy rain. Finally, the set-up was done and we received a lot of positive comments from the leaders and scouts of the other scout groups.

The second event to celebrate our 70th Anniversary was a 3-day-2-night Group Camp held at Tai Tam Scout Centre on 24th-26th July 2009. The weather was fine. Activities like canoe fun day, night venture, mini campfire and water canon games were held. On day 2, we concluded with a buffet dinner together.

Grasshopper Rings

The Grasshopper Scout is formed with an aim of providing fun and happiness for the young kids. At the same time, they are able to learn discipline and rules through taking part in different kinds of activities.

There are two rings in our Group, mainly formed by Primary 1 and 2 pupils in our school. We had regular 1-hour-meetings every Monday and Thursday. Merry Ring was not only used in the Welcome Ceremony and Goodbye Ceremony, it was used as a tool of inducing fun in different games. Children enjoyed the games and songs very much.

Cub Pack

Our cub scouts

This year, our Cub Pack experienced a difficult period. Under rapid expansion in the past several years, we currently had more than twenty energetic and outgoing members. However, our current leaders could not spend as much time

as before owing to their changes in careers and other family chores. Luckily, some new leaders joined the Pack and thus the trainings and regular meetings were held as usual on Saturday afternoon. The meetings started at 3 p.m. and our cub scouts enjoyed themselves very much. In order to make their scouting lives more varied and fruitful, outings like hiking were arranged. Our cub scouts could expose themselves to the nature and learn more outdoor skills.

Outing

We were honored that two cub scouts received the "Golden Bauhinia Award". This award was given to the ones who were brilliant in scouting. The presentation ceremony took place at the Hong Kong Stadium in November 2008.

In late February 2009, our Pack took part in the Bishop Shield organized by the Catholic Scout Guild. All the participants learned a lot of biblical knowledge from the games.

Bishop Shield 2009

Scout Troop

This year, our Troop made a remarkable change in its administrative structure. A new post called "Senior Patrol Leader" (S.P.L.) was adopted. This position acts as a bridge between leaders and patrol leaders and has to coordinate a number of functions. The performance of Ho Pak Yin Ivan, our S.P.L., was highly appreciated by our leaders. Also, he received the Chief Scout Award in recognition of his commitment and efforts put into his scout life.

Our scouts

Regular meetings were held on Saturday afternoons. Our scouts learned a lot of useful skills in the meetings. Moreover, a 3-day-2-night wild camp was held in late January 2009 at Sai Kung. Besides regular meetings, we took part in a number of services which were coordinated by our interest group called "Oasis Voluntary Group".

Last year saw a yielding year for our Troop as we received prizes in a number of public competitions:

Footdrill Competition 2008

In late September 2008, we took part in the Footdrill Competition organized by the Hong Kong Island Region. More than 20 scouts were involved in this competition. We got the first-runner-up.

Tang Wing Nam Matthew won the running competition

In early February 2009, one of our scouts - Tang Wing Nam Matthew took part in a running competition called Tai Tam 3 Reservoir Run (大潭三塘跑) organized by the Hong

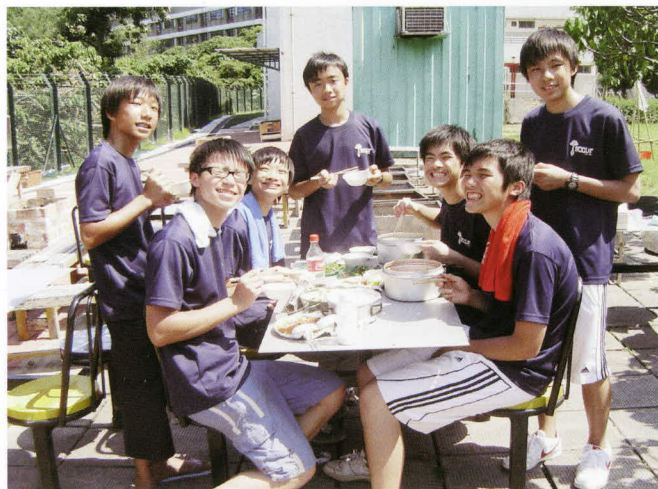

Kong Island Region. He got the first-runner-up in the "Scouts' Group".

In late February 2009, 2 teams were arranged to take part in the Bishop Shield (主教盾) organized by the Catholic Scout Guild. This competition was held to challenge the biblical knowledge of our scouts and was held in our school. In the competition, we won the Champion and the first-runner-up.

Bishop Shield held at our school

In late August 2009, our Troop took part in the Carlton Trophy Competition organized by the Western District Scout Council. This multi-faceted competition tested different scouting skills of our scouts. Every team had to join a 2-day-1-night wild camp at Tai Tam Scout Centre. Members of the two patrols, Kestrel and Woodpecker, spent nearly half a year to equip themselves for this competition. This year, 9 teams took part in the competition. Our Kestrel Patrol won the first-runner-up. Then, Kestrel Patrol would be promoted to represent the Western District Scout Council to take part in the Carlton Trophy Competition organized by the Hong Kong Island Region in November 2009. We hope that they could get good results.

Our Kestrel Patrol

Leaders were the most valuable asset in the Troop. Thank for the relentless efforts made by our leaders. Without their sacrifice and timeless commitment, the Troop would not be run so smoothly.

Venture Scout Unit

Our Ventures

The 16th Hong Kong Group Venture Scout Unit works under a constitution similar to the Prefects' Association. "Nothing Venture Nothing Gain" is the motto of the Venture Scout Unit. The word "Venture" means we dare go somewhere dangerous or unpleasant. We do hope that this spirit would not fade out in the years to come.

As the New Senior Secondary (NSS) Curriculum would be introduced from 2009, the 16th Hong Kong Group Venture Scout Unit reformed its promotion system of members accordingly. In this year, both Form 4 and Form 5 students would become the probationary members of the Venture Scout Unit. As a result, the number of members of the Venture Scout Unit increased dramatically. This would alleviate the problems like financial deficit and shortage of new members.

In April 2009, we organized a service project with 5th Is. Coy. and Caritas Jockey Club Integrated Service for Young People - Shek Tong Tsui. Participants were required to organize activities for young children and have fun with them. At the end, a visit to the Hong Kong Correctional Services Museum was organized.

The Service Project held in April 2009

Last but not least, we feel proud of our past results and we thank our leaders and teachers involved. We were much privileged to stride to our future with a beacon of hope and visions ahead.

Since its establishment in 1969, the Aloysians Editorial Board has been responsible for publishing the school newspaper, the Aloysians. It has long served as a platform providing news and current issues of our school for the alumni, teachers and students.

Like the previous years, two issues of the Aloysians were published this academic year. Thousands of copies were distributed to the Primary and Secondary sections, as well as the St. Louis Old Boys' Association.

This year, many important events were reported, such as SL80 Open Day, Sports Day, Swimming Gala, and Talent Time 2009, etc. Interviews of new teachers were also included in the newspaper. In order to seek more interesting content, we have introduced editorials on social issues.

Getting the publication done is never an effortless task. Therefore, we would like to express our most sincere appreciation to all the committee members who have made great contribution. We also appreciate our teacher advisors, Ms. Cheung Sau Chu, Ms. Fong Chung, Mr. Chan Chuen Pang and Mr. Ho Wai Leung. With their assistance and contribution, a smooth and successful publication of the Aloysians was achieved. Last but not least, we would like to show our gratitude to the Parent-Teacher Association for their financial support.

We hope that the successor will keep up with the good qualities of the Aloysians.

Introduction

The ACG Society is a school club set up by a small group of Form 4 and 6 students, aiming to promote the benefits and enjoyment of watching animated shows, reading comics and playing computer games. In the eyes of many parents, the above activities may seem harmful, but we think differently. We aim to promote students' interests in ACG and hence relieve students' stresses from studies. We also hope that, by emphasizing on what one can learn from anime during our activities, as well as providing room for discussion to facilitate exchanging of different ideas, we can prove to people the importance of such activity. This year we have held a total of 4 activities. We had planned to hold a Pokemon Tournament after the exam, but it was cancelled as normal school was suspended due to the fear of H1N1A influenza.

1. Anime airing session

After seeking permission from the school, we have aired two anime series that we think would be beneficial to participants, "CLANNAD" and "Gundam 00". After airing the whole series, we have handed out questionnaires and feedback forms to collect students' opinions on the underlying meaning, and posted the results on our bulletin board.

2. Comic Classes

We had invited an experienced old boy, Mr Choi Fong Ki to be the tutor of the comic course. During the 4 classes, Mr Choi briefly introduced the basics of comic drawing, including face, body posture and more, to the students, and gave many suggestions to the participants to improve their skills.

3. Bulletin Board

We have regularly put up Book reviews and summaries of different anime on our bulletin board, which attracted many readers. We hope that the board can act as a platform so that we can put up students' reviews.

4. ACG Knowledge Quiz

We held an ACG Knowledge Quiz during June to test the participants on their understanding on different Artwork. The winner was Hong Ka Chun from F6A, who correctly answered 14 questions out of 15.

The Astronomy Club had been established for so many years and is one of the most long-standing clubs of the school. We have successfully promoted the club to outsiders through the Open Day of the school. Our aim is to tell fellow students that astronomy is not something as difficult as it seems, but an interesting and funny subject for all of us to explore. In the coming year, we wish that the Astronomy Club can further arouse student's interest and knowledge in astronomy.

Star gazing

With the invitation of the Hong Kong Joint-School Astronomy Association, we brought students with basic astronomical skill to Shek O and enjoyed a night of stars. We had a nice star gazing experience.

Visit to the Space Museum

After a series of challenging preparation work, a group of 20, including our teacher advisor Mr Chong Wing Kit, had an exciting and memorable visit to the Space Museum. Thanks to the cooperating participants and detailed arrangements, we successfully held a smooth and enjoyable function.

After we had arrived the Space Museum, we had a short briefing about the visit. Although many of the participants had already been to the museum before, they still showed much curiosity about the displays and games throughout the visit. Under the lead of Mr Chong and with his great knowledge about astronomy, our participants found themselves extremely enjoyed when exploring the mystery and glamour of the space.

This year is already the fifth year since we have been promoted to Division 2 in the Inter-School Athletics Championships. Through all these years, our team members have taken up myriads of athletic trainings, contending with all the ups and downs on our way towards victory. The only reason driving us to make our greatest efforts is to be promoted to Division 1. This year is no exception.

Starting from the beginning of the school year, we organized regular trainings for new members recruited from Form 1 to hone their athletic skills including hurdles and discus etc. We did not register our team members for the HKAAA memberships this year, trainings were chiefly conducted at school. In spite of this, our team members have never ceased to put much effort into the training sessions and devote their best. We were well geared up for the Inter-school Athletics Championship.

In the competition, our members proved their exertion and perseverance. There was a distinctive rise in the number of our participants entering the finals. More encouragingly, some even won medals! Eventually, we achieved a prominent, but not good enough, result - 9 out of 20. Nevertheless, all of us see the promotion to Division 1 as our ultimate goal to be beyond any dispute.

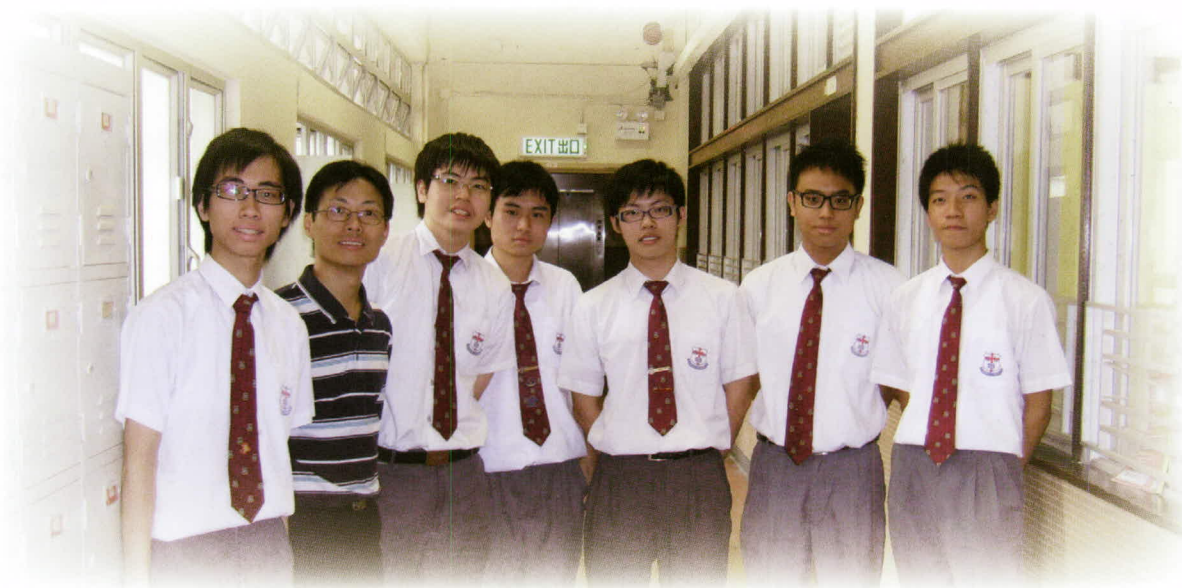

Despite the failure in promoting to Division 1 this year, we were ready to overcome all the obstacles ahead of us. In a bid to be promoted to Division One, training sessions have already resumed soon after the competition. Equally important is to intensify the trainings. We hold firm to our beliefs that we would become Division One in time. Last but not least, our teacher advisors, Mr. Chui Ying Wai Sycip and Mr. Chan Bit Leung and our team coach, Kwok Man Chun Manson, who have devoted much time to train our members and displayed great enthusiasm for the team, should absolutely have most of the credits for our team's success.

This school year, the badminton club aimed to arouse students' interest in playing badminton and to relieve their stress in their studies through organizing different activities for them to participate. We want to gather schoolmates who like playing badminton from all forms.

We have successfully held two badminton training courses throughout the school year. One is the Regular Badminton Practice. In this course, basic techniques and skills in badminton were taught. Students were required to attend practice sections in order to improve their skills in playing the sport. The other one is the most popular course, the 1-Dollar Badminton Practice. This special course was organized to attract more students to play badminton. We hoped that through the course, students who were not familiar with the sport would also gain interest in it.

Moreover, we held a badminton competition between teachers and students to enhance the relationship between teachers and classmates. This year's Teacher-Student Badminton Competition was held on 23rd May, 2010 in Shek Tong Tsui. We were delighted to see the enthusiastic participation of the teachers and the students, and we all enjoyed the evening. After the exciting battle between teachers and students, the champion of the competition finally went to Chan Hok Man of 3A and Kan Hei Chun of 3E. Mr. Lai Tak Wai and Wong Tsz Tsun of 3E took the first runner-up, with Tsui Tsun Ting of 4E and Chung Cheung Wah of 4B winning the second runner-up.

With all these activities, we believe we can arouse the interest of the schoolmates towards badminton. We also hope that the club can provide more interesting activities for more students in the future.

Computer science is a young but fast growing discipline. In our daily lives, computers have been playing an important role in both academy and communication. In order to promote computer knowledge to our students, the Computer Club held several activities this year, providing chances for students to acquire different knowledge in the Computer field, and to raise students' interests in using computers as a tool to aid their studies and future lives as well.

This year, the Computer Club has organised several events, to let our students understand the essentials of computer technology.

In the first term, the Computer Club organized a school typing competition, aiming to improve students' typing skills. Students would receive a report after joining the typing competition, showing their results such as words per minute, accuracy, and providing them room to improve their typing skill.

In the second term, a board game about internet usage and intellectual property right, named 'INTERNETUAL' Board Game, was held. Through playing the board game, students were able to learn how to use internet correctly and legally, and gain knowledges about intellectual property right.

Last but not least, we sincerely hope that we can give our students a chance to see how amazing this technology world is.

Economics and Accounts Association aims at raising the interest in economics and accounts of our fellow classmates through different activities and games.

Activities

In this year, our committee organized several activities including Monopoly Board Game and Stock Game. During the school open day and the annual joint club exhibition, we provided some booth games to the public and our students.

The Monopoly board game was held in May. This helped our students to learn about the basic running of economic model through an exciting game. There were about 70 participants this year. They were mainly from junior form.

The Stock Game was also held in May. Each participant was given 1 million dollars to buy stocks in a simulated stock market. It provided an opportunity for our participants to get familiar with stock transaction and the Hong Kong stock market.

This academic year, the football club has organised a lot of activities for our fellow students. Our aims are to provide an great opportunity for our students to enjoy playing football and to improve their skills during the competitions. Moreover, students can meet more friends in their own house. This year, our club organized two inter-house football competitions and a 3-on-3 competition for the students. Unfortunately, the finals of both the inter-house football competitions and the 3-on-3 competition were cancelled because of swine flu. When organizing the activities, we faced many problems but we could solve them quickly, owing to the support from our teacher advisor Mr Ng Wai Ming. At the same time we need to thank the seniors who helped us to be our referee of the football competitions.

We are sure that every student had an unforgettable and enjoyable experience.

Our spirit this year lies on the following idiom: ***I had no shoes and complained until I met a man who had no feet.*** Nowadays, many adolescents seem to have cultivated a sense that, all the enjoyments in life they are having should be taken for granted. The main reason is that they fail to recognize the different dilemmas that exist in our world. Only when they serve and meet people from different aspects in our society can they realise their affluence and learn to take things with gratitude. That is why we decided to take over this club, to provide them with an opportunity to comprehend what they should know.

Our aim is to let all the "Superman of Interact Club" (扶輪超人) have a heart to serve, not only in our program, but also in their daily lives. Our work for schoolmates would no longer be only through barely providing a place to have fun or meet friends; we, instead, have to make our members better persons in different ways, ranging from developing their passion for service to directing them to a more positive attitude towards life. Communication is the most important element if we are to affect them positively. Therefore, we have been a good friend of our members so that we can pass our messages effectively.

We are glad to have organized some activities which are completely new in our school, for example, the Light of Life Mountain Region Service Tour (the first international service organized by students). We have also influenced members by building up close relationship with them instead of merely organizing outdoor activities. It is great to see some members change a lot and, indeed, we have learnt a lot through them as well.

We did not try to find out whether our aim has been achieved. We just knew we have tried our best this year. Days elapsed so fast and here we are - F.7 students ready to face the public examination. What is left before we graduate is the hope of seeing this spirit of Interact Club being passed on from here to somewhere.

This year, we organized some meaningful activities for our students, so as to introduce problem-solving skills, as well as some interesting mathematical knowledge that is not discussed in class. For instance, a mathematics tutorial course was organized for our Form 1 to Form 3 students. This course aimed at helping them prepare for the examination and was a great success.

Besides, we also organized a logic competition for junior form students so as to find out some outstanding students, and prepare them for the Hong Kong Mathematics Olympiad.

Lastly, we should like to thank our teacher advisor Mr. So Ho Yin for the unreserved support throughout this year.

Annual Report

Outdoor Activity Club has been one of the most popular clubs in recent years. We aim to enhance students' confidence and improve physical fitness through outdoor activities.

We have organized two fabulous activities in this academic year. These two activities were hiking and barbecue trip, and War Game.

In the hiking and barbecue trip, students hiked from To Di Wan to Big Wave Bay via Stage 8 of the Hong Kong Trail, where they could enjoy splendid views of the mountains, Shek O Village and the sea. After three hours' hiking, students arrived in Big Wave Bay and had barbecue lunch. Students enjoyed the trip with their schoolmates very much.

In War Game, students were divided into two groups of 15 members each. They had to finish their missions which included conquer and defense using different techniques. Through the game, students learned how to corporate and communicate with others in critical conditions. The skills they learned were undoubtedly useful in their lives.

Our aims of improving students' qualities were achieved in these two activities. We have to thank Mr Lawrence Ho for his unfailing support. We also want to give special thanks to Miss Monica Lam for her participation in the war game with students.

However, the star gazing trip and canoeing course initially planned were cancelled due to the spread of swine flu in early summer.

Background

In 2005, our former social worker, Mr. Ying Chung Wai Andy, promoted a "Peer-Mentor Scheme" with our guidance team teachers. They invited some senior students to help Form One students to adapt to the new environment. The scheme was very successful and therefore 'Student Guidance Team' was set up to serve our junior students.

Aims and Objectives

Student Guidance Team (S.G.T.) aims to provide care and guidance to Form One students or other needy in our school. With care, mutual support among students can be enhanced and a helpful environment can be nurtured in our school. In addition, we are eager to build a closer relationship between teachers and students.

Recruitment

This year, about 24 students from Forms Three, Four and Six were recruited as members of SGT as well as mentors of the Form One students. For Form One students, circulars were distributed to invite them to join the programme. We received more than 100 applications. 22 applicants were selected to join the programme and became mentees.

Training of Mentors

Mentors' Training Camp

Date: 26th August 2008 (Pre-camp)
27th August 2009-28th August 2009
(Training Camp)

Venue: Jockey Club Chueng Chau Don Bosco Youth Centre

For the new members of the Student Guidance Team, clear directions and skills for communication with Form One student are very important. Organized by school social workers, a training camp for our mentors was arranged. Mentors learned essential skills to get along with Form One student, to overcome difficulties and to trust and cooperate with each other. Friendship and team spirit were built up among them.

Form One Orientation Day

Date: 01st September 2008
Venue: St. Louis School

This year, Student Guidance Team, together with the four Houses, prepared a game-based school tour for Form One students. Form One students were divided into groups. Having fun during the school tour, these new comers could learn more about the school.

Peer-Mentor Scheme

In the scheme, each Form One student was assigned to a mentor. The Mentors and the mentees had group or individual meetings during lunch time, recess or after school at least once biweekly. The former helped the latter to adapt to the new school life and provide them with advice to overcome their difficulties, and they eventually became good friends.

Fun Day

Date: 19th September 2008

Venue: St. Louis School

To build up friendship among mentors and mentees, we understand that playing games together is an excellent method. Therefore, a fun day was organized by our committee and games were held by the guidance teachers. Both the mentors and mentees enjoyed the games and had a relaxing afternoon together.

Elderly Visit

Date: 10th January 2009

Venue: Tai O

In order to express the message that S.G.T. cares about the society, we took part in this voluntary service. Through voluntary services, mentors and mentees learned more about the importance of caring our neighbours. Besides, after visiting the elders, they worked in groups and prepared a memoir for each elder. Among the groups, 5 students were given prizes due to their outstanding performances during the activities. They were Luk Chun Pang Andrew (6A), Yu Ho Hin (3A), Yiu Kit Fu (3B), Fong Kei (3B) and Tsoi Man Lok (1D).

Barbecue

Date: 27th June 2009

Venue: St. Stephen's Beach, Stanley

Our committee members prepared a barbecue for all of our members as the final event of the year. About 30 of us joined this activity and had a joyful trip. Although it rained heavily, everyone had great fun. We believe our friendship would be long lasting.

警學關懷大使

We and the Prefects' Association joined this programme for the first time to learn more skills to deal with bullying as well as drug abuse. The programme was organized by the Western Police Station and the Tung Wah Group of Hospital to provide resources and training to our mentors and some of our school prefects.

Oath

Date: 23rd October 2008

Venue: Sai Ying Pun Community Complex

Training

Date: 25th October 2008

Venue: St. Louis School

A whole day training was offered by a social worker of the Tung Wah Group of Hospital to help our participants understand the seriousness of bullying and the harmful effects of drug abuse.

Fun Day

Date: 7th February 2009

Venue: St. Louis School & Western Police Station

The Fun Day was held to welcome our mentees and some of our Form One students. About 40 participants visited the Western Police Station in the morning. After lunch, the mentors and the prefects organized some base games. This Fun Day helped build up friendship among senior and junior students. Apart from that, junior students also gained an insight into the harmful effects of drug abuse.

Open Day

Date: 25th April 2009 - 26th April 2009

Venue: St. Louis School

As a member of St. Louis School, Student Guidance Team undoubtedly fully supported our school Open Day. Our committee members, mentors, as well as mentees, had prepared some souvenirs, such as bookmarks and folders, for visitors at the Open Day. Besides, they had also helped with the decoration of our booth, especially the big heart, which was later displayed next to the staircase. Photos, reflections from chairmen, mentors and mentees, as well as works by our students, were shown during the days. Throughout the preparation and exhibition, friendship and team spirit were built up among the mentors and the mentees.

Vote of Thanks

The Student Guidance Team would like to express our heartfelt thanks to our highly responsible committee members and mentors, to the guidance teachers and social workers for their generous support, and to the school for encouraging us to improve better service. We are sure that the work of the team will become more successful with the help of everyone, and we will have more breakthroughs in the future.

Introduction

This year, we organized two main programmes - tennis video shows and tennis fun days. We wanted our members to learn more about tennis and to promote their interest in tennis through these two programmes.

Activities

1. Tennis Fun Day

We held six fun days throughout the year. These were organized mostly on feast days and after examinations. In these sessions, we taught our members some tennis skills so that they could improve as well as enjoy their playing.

2. Tennis Video Show

Video shows were organized during the first term of the year. We showed some matches between famous professional players like Federer and Nadal. We hoped that after watching the videos, students would become more interested in tennis and learn something from the players.

Comments and observations

1. Of the two activities, we felt that the tennis fun days were most enjoyed by students from all form levels. In some of the sessions, we had to book two more courts because of the large turnout number of participants. Luckily, the fun days were on weekdays during low-demand hours before people finished work.

2. The video shows were fairly popular at the beginning but towards the last few sessions, fewer boys showed up and more boys left earlier. This was probably because the novelty of watching the games of the top players began to wear off, and since they were not live broadcasts, it was less exciting. The length of the video shows may have caused the waning popularity. In the future, if the tennis club is to hold this function again, we may have to learn from the way how highlights of matches are shown on TV, and keep them brief and exciting. This, however, brings up another problem - video editing. If time and manpower permit, it is something the tennis club will have to think about for the future planning.

3. Originally, the tennis club had hoped to organize competitions, however, the workload and time constraints during the school year put this out of the consideration. It is a pity because it would have been good to let members feel the excitement of competing against each other while gaining match experience. Perhaps, for the future, the club may be able to consider this in the year plan.

4. Overall speaking, we are happy with what we have organized. The increasing number of participants for the tennis fun days towards the end of the school year shows us that students are particularly interested in playing, especially when it is with friends and classmates.

Another observation during the fun days was the desire of some of the students to improve themselves.

We could see some of the younger boys in Forms 1 and 2 gravitate to whom they judged to be the more advanced players or groups and join in to play with them. This is something to keep in mind for the future if the club and the school hope to improve the overall standard of tennis skills of the students and build a strong school team.

5. Tennis is one of the many sports rising in popularity in Hong Kong and all over the world. In recent years, recruitment of members into the tennis club has reached, or at least has almost reached, the maximum number allowed for each club. During the Joint Club Exhibition at the beginning of the school year, the queue of boys who wanted to have a taste of playing tennis in the makeshift mini-court in the basketball court was the longest of all the exhibiting club stalls.

This is a good sign. We need to continue to promote the interest of the students.

Activities

Joint Club Exhibition (JCE)

During this year's JCE, we organized an activity in the covered playground. This activity, which was entitled 'Alphabetic Picture', aimed at creating an atmosphere for expressing students' creativity. During this game, students were required to think of any words beginning with a given letter and express the words in a pictorial manner. The response for the Alphabetic Picture was surprisingly overwhelming. Some letters such as D, I and O are easier while those such as Q, S and Z are harder. As such, students from the lower forms to the higher forms could all enjoy the game. Besides, the Alphabetic Picture was a quick means of gaining stamps. This was another reason for its popularity.

Creative Visual Arts Work Exhibition - January

About 30 students, mainly from high forms, were led by the teacher advisors and visited an exhibition in EDB Kowloon Tong Education Services Centre. A wide assortment of arts was available, ranging from paintings, still-life drawings, ceramics, to fashion design.

Course on shrink-art plastic key pad - March

Keeping in line with the tradition of the Visual Arts Club, the course again gave students a golden opportunity to design their own key-pads, with their nicknames and favourite wordings written on plastic plates. Students from lower forms were particularly enthusiastic about it.

Course on ceramics - May

In concordance with the tradition of the Visual Arts Club, the course provided students with a chance to mould their pieces. It is a course on basic hand building techniques including pinching, coil building, slab forming as well as the application of color and glaze. Quite a number of students tended to mould pen stands which were of great practical use.

Course on tee-design - June

Being the most innovative activity of the Visual Arts Club, the course on tee-design did not fail to attract as many as 40 students signing up! Students were required to design their own prints in the first lesson - patterns, wordings, and characters - and then print it. The print could be transformed onto white T-shirts with an iron. Most students, if not all, were satisfied with the final works and said that would be more than glad to wear it. Although the course was organized hastily, it was a great success. We would like to show our gratitude to Mr. Lai Pei Kit and Ms. Tse Wai Man for their promotion and their help in holding the event.

2009年，正值「五四運動」九十周年、「八九愛國民主運動」二十周年、中華人民共和國成立六十周年。為了使我校學生加深對國內及外國事務的認識，以及建立對周邊發生的時事問題的思考能力，在校方的支持下，聖類斯中學政治及公共事務學會在本年度正式成立。本會於本學年成功舉辦了一系列活動，以求實現上述目的。

民主講壇 — 司徒華先生《第五個現代化在人民中國實現的可能》

為了使同學對我國的政治狀況有更深一層的了解，本會特別邀請到「香港市民支援愛國民主運動聯合會」主席司徒華先生蒞臨本校作主題演講。是次活動共有超過200位老師及同學參加，他們均對司徒先生精彩的演講留下深刻印象。

午間沙龍

對於因為出生於九十年代而未能親歷「八九民運」的同學來說，一些珍貴的歷史片段絕對能夠幫助同學對當年的民主運動的種種疑問作出透徹的思考。本會特意於午飯時間播出大量有關「八九民運」的紀錄片，同學踴躍出席觀看，反應熱烈。

民運展覽

於五月至六月期間，本會工作人員把大量與「五四運動」、「八九民運」有關的照片、剪報、文章等資料編輯成大型展覽板，於校園內展出，供老師及同學參觀。有同學表示，展覽板展出大量教科書中沒有提及的資料，加深了他們對兩次民主運動的認知。

各位會員：

本會第十六屆執行委員會之任期即將屆滿，本人謹代表各執行委員多謝大家一年來的支持、鼓勵和信任，會務得以順利推行。今個學年，在校監林仲偉神父，校長吳多祿神父的指導，各位顧問老師、執行委員、幹事助理的支持下，本會成功舉辦了多項文化康樂活動，如「2008聖誕聯歡會」、「處理壓力」工作坊、「影城蓮園逍遙遊」、「環保家居、節能錦囊」講座，「香港青年順德交流學習團」等等，參加人數非常踴躍，成績令人鼓舞。

我們深信，每一位家長都非常關注子女的成長，承蒙中西區區議會公民教育工作小組及香港家庭福利會的協助和支持，本會成功獲得中西區區議會首次撥款，為各會員及區內家長、學生，舉辦多項親子家庭和諧活動；包括「親子工藝樂天倫」、「提升子女學習動機」家長講座、「親子烹飪同樂日」，各參加者均非常投入，達到親子和睦，家校合作的目標。

《走出校園・放眼世界之向世界負責》

黎思鉅 中四丁班

「負責」這個詞語，是承擔責任的意思。無論是小職員，或者是大老闆，都要負上不同的責任。人也如此，國又何嘗不是呢？

為甚麼筆者會寫出以上的說話？因為有國家並不履行身為世界一員的責任，不斷卸責及令世界陷入萬劫不復之地。如果說北韓、伊朗及利比亞是「邪惡軸心國」的話，那麼該等國家肯定比希特拉統治下的德國邪惡十倍，甚至百倍。

究竟筆者要批評哪個國家？非有「自由之國」、「世界警察」之稱的美國莫屬。

筆者雖然不是盲目愛國的「憤青」，但當你知道美國的「罪行」後，就會明白筆者心裡的感受。

美國自一七七六建國後，一直以「自由之國」自居。表面看起來，美國是一個自由、平等、博愛的烏托邦，但當各位細心看下去，就會發現美國是一個自私、愛面子、不負責任的國度。

美國為了令其他封閉、獨裁、專制的國家打開民主的中門，竟然運用一些不民主方法來實現自己的目標。伊拉克仍是薩達姆執掌的時候，美國竟以伊境內有大殺傷力武器及危害其國家安全為由，揮軍攻打伊拉克。雖然美國最終戰勝，但是在伊拉克境內恐怖襲擊輾斷，教派鬥爭不斷，而且並沒有發現大殺傷力武器。顯然美國的行為是強橫無理的。除此之外，美國對非盟友國家例如古巴、中國、北韓等共產主義國家及伊朗、委內瑞拉等反美勢力國家實施一連串的制裁及禁制。令人感到美國心胸狹隘，不能容下其他聲音之嫌。

美國人愛面子的程度絕對不下於中國人。在金融海嘯爆發後，美國不但沒有正式為此向世界道歉，反而派政府官員游說其他國家繼續購買其國債。情況猶如一個賭徒在賭場輸掉了所有金錢後，仍可理直氣壯地問家人借錢，並無羞恥之心。此外，部份因是次金融危機而面臨倒閉的機構，竟以合約精神為由向員工派發花紅。雖然他們先後放棄花紅，但卻令不少民眾對他們印象大打折扣。

美國人不負責任的例子多不勝數。但以公共衛生的例子最令人氣憤難下。一九一八年的西班牙型流感是應該命名為美國流感。因為美軍在第一次世界大戰期間把病毒帶到歐洲，而西班牙的國王亦因患病而死亡，所以此病毒被稱為「西班牙型流感」。但美國稱那次疫情為「一九一八年流感大流行」，有淡化事件之嫌。而在人類豬型流感的防疫戰中，美國以社區持續爆發，要控制社區感染為由放棄口岸防疫，導致美國成為不設防國家，令不少病人在機上及外遊的目的地散播病毒。不相信的話，不妨留意新聞報告，留意有多少人是從美國到本土後而病發的。

美國貴為大國，竟然未能負上大國應盡的責任，她必須向中國學習。雖然中國仍有很多地方有待改進，但在公衛生上可以快速反應，為人民安全着想。國也如此，大國又何嘗不是？

《走出校園，放眼世界？》

鐘曉烽 中六甲班

眼看教育制度的改革，倒真教人摸不着頭腦。

從前封閉式的教育，學生今天已經不會嚙下這「閉門羹」，被灌輸的是標榜所謂「校外探索」、「認識社會」等等的通識教制，涉足的範疇虛縹無形，但簡單直接來說就是要年青人「走出校園，放眼世界」。對於走出校園，相信不少人都舉腳贊同。是的，方形的課室將學生的好奇心及創造力凝固，難怪政府說要學生打破框框。至於能否達到放眼世界，我有一點保留。

要放眼世界，青年人的眼球比以前滾動更多。他們的「眼」，放在一張張《南華早報》的社評，放在訊息萬變的互聯網上，然後在試卷上打滾，最後放在答案頁之上，往後再打量批改後的試卷分數。這就是放眼世界？要學生放眼世界，打破框框，卻要用呆板的試題限制焦距，再考慮的是，單憑雙眼，就能認識世界麼？

打個比方，平日在電視熒幕看到關於中國貧苦學生的催淚節目，相信觀眾的指尖會不自主顫動，欲拿起電話，向有關機構認捐。節目過後，激情又冷卻了。沒錯，我們曾經「放眼」世界，但是隔着冰冷的熒光幕，似乎欠缺了甚麼。世界，需要感受，方能了解。

要學生認識貧窮對自身的影響，難道靠所謂「貧窮線的定義」就能知道？倒不如到廣西山區，喝一口清茶，嚐一口淡飯，從粗糙無比的掌心領略當下抱擁的一切。要學生認識世界另一端的風土人情，難道透過大氣電波傳輸就可以？倒不如遊走天涯，背上衣帽三件，放下書兒萬噸，數數穹蒼星宿千千，看看人情世態。

香港教制要求學生多角度學習，培養多角度思維，投放大量資源推行配套政策，但最終是還原基本，着墨於平面的試卷上。學生曾表達屬於自己的聲音，不管是甚麼途徑，他們希冀的是，依我看來，絕不會是硬生生的評卷準則。然而，是成年人教化莘莘學子不要「左耳入右耳出」的同時，他們卻關起自己的耳朵。與其將資源放在開設學科，不如讓學生實實際際接觸世界。唉，為何不可聆聽？

這樣看來，年青人豈不是要身在異鄉才了解世界多一點？相信這必定引起又一次家長教師遊行的小風波。依我這個處於舊學制末代的過客，只要細心思量，世界有時候並不是如斯壯大遼闊、遙遙對望，有時候只是彈丸之小，擦肩而過。原因倒是簡單，先問自己，世界是怎樣一回事。

是七大洲五大洋？當然這是一種詮釋。我在此想說的，是那個看似遙不可及、深不莫測、教人眉宇之間打個問號的，人類的靈性世界。

喜、怒、哀，人之常情，貪、嫉、惡，人之常性。人類這種生物，在先哲眼中與禽獸之別，在於人有靈性化的表現。川能成流，流化汪洋，每個獨立的人，不同的性格情感交織，形成一個千絲萬縷的小世界。父母、兄弟、情人，人有了感情，明白了愛，才編製出無數扣人心弦、賺人熱淚的故事。然而，我們的教育，常忽略了這個感情的小世界。

多少宗未成年賣淫的案件，多少個童黨加入黑社會的事例，多少段青少年自殺的新聞，我們稚拙的學子，在這個物慾橫流的世代迷失了。他們不了解甚麼是珍惜、甚麼是愛、甚麼是……不了解的太多了，就算是聽過，就只是聽。多麼可惜。

然而，學生們都應多走一步，責任往往是雙方的。要了解小世界，方法很多，先想一想以下的情景。上學的路上，你會在巴士上呼呼大睡，或是瞪着玻璃窗外走馬燈式的景緻但記不起經過哪些街道，或是「大衛像」式沉思但腦內卻空白一片？再問自己以下的問題。你知道你家大廈的管理員全名是甚麼嗎？你有否向校工說過一聲「謝謝」？然而，要感受世界，可以由生活中微小之處窺探。他們可以是你的父母，可以是你的師友，甚至是一個陌生人；他們可以是你的社區、可以是你的學校、甚至你的家。世界大得不可以去擁抱，但撫心自問，其實我們得到的也不少！

記得物理學家楊振寧先生對自己的成就，比擬為只是在沙灘上拾起一塊漂亮的石頭，或是貝殼。我記不清，但不重要。最重要的是，一個物理權威對自己醉心的物理世界亦看得如斯輕盈，那麼我相信每個人對世界的定義亦大為不同。青年人在複雜的成年人世界只是呱呱落地的嬰兒。放眼世界，就要先了解屬於他們的世界。

其實世界，近在咫尺，咫尺近天涯；並不小，也不大。

《走出校園 放眼世界 · 北京遊》

鄭允建 中四丁班

常言道：「讀萬卷書不如行萬里路。」於是，在剛去的復活節假期裡，我便走出了校園，到了北京，放眼世界。

在學校的課堂上，我們認識到的北京，應是在中國歷史中學到的明、清兩朝國都，以及一九四九年宣佈中華人民共和國成立的地方。按照這個認知，北京應該是一個古色古香，且莊嚴的中國政治、經濟及文化中心。

真正踏足北京時，你會發現這裡其實是一個現代化的都市，但同時也保留了大量古都的特色。

直到現在，你仍可以感受到這古都是別具特色的。莊嚴的紫禁城仍矗立在全城的中心點，彷彿仍在領導這城市；天壇雖已敵不過現代高樓的高度，但它的氣勢仍不遜於任何現代建築；城內迂迴的胡同是想帶你回到古代，看看古人在四合院的生活。這些都標誌着我國輝煌的歷史和過去的成就。

但人總不能只活在自己的世界裡，總需和別人競爭，令自己有所進步。北京深明這道理，因此它在近代不斷發展，以提升競爭力。

如果天安門廣場象徵新中國的成立，那朝陽區就代表着新北京的發展，和它怎樣放眼世界。這裡到處都是現代的商業大樓，是北京的商業區。此外，這裡也是主要的使館區——各國駐華使館、新聞機構，以至企業都進駐這區。更重要的是，令中國提升國際地位的零八年奧運會的主場館所在的奧林匹克公園也座落在這區。

北京所以能主辦奧運會，全因中國近數十年來放眼世界，是改革開放的成果。

難道中國幾千年來的國力不強嗎？為甚麼中國要藉着奧運來提升地位？

中國在清朝末年還是抱着閉門造車的態度，不問世事。當我們一直以為自己是最強大的時候，其他人已不斷地發展、進步。所以，當中國首次接觸世界時，便因這種自以為是的態度而被擊潰，被列強欺凌了。

其實，我們學習，以至做人的道理也是一樣。與其閉門造車，自以為是，並只學習書本提供的知識，倒不如走出校園，放眼世界，看看其他人在做甚麼，看看這世界正發生着甚麼事，從而擴闊視野、汲取別人的經驗，使自己進步。自己親身體驗這世界，總比盲目學習更實際。

Discover your talent, practice and show it to the world

Ben Yuen, F5D

27/5/2009

Susan Boyle is just a normal woman in a small town. But she found her talent and became very famous among the world after her performance in the show "Britain Got Talent". I think that our school is a good place for us to discover our talent and practice it. After that, we should have enough confidence to show our ability to the world. I have also discovered and started to develop my talent. In this passage, I would like to share my story from how I fell in love with debate to becoming the captain of the school debating team.

Everyone got talent for different areas, but sometimes it is hard to find it out. It is because many of us are not given a chance to do so. Luckily, I got many chances to join different activities in my school. Through these activities, I can find my interests and talents. After joining different clubs and programs, I found that I am keen on debating so much. I enjoy the feeling of being the focus of attention, speaking in front of the audience and objecting the adverse team. I watched some matches of our school team and joined the inter-class debating competition. In that competition, the coach of the school team thought that I have potential to become a good debater and encouraged me to join the school team. Since then, I became a member of the school debating team.

During the inter-class debating competition, I won many matches and even won some prizes. I could usually think faster than the adverse team and speak with better skills. After that, I was given chances to take part in some matches outside school. But unfortunately, I lost in many matches. The standard of matches outside school is completely different. The qualities of all teams are much higher than those inter-class teams. I found that all debaters representing their teams were with good talent. It is impossible to win inter-school matches with just talent but not hard work. Discovering this fact is important for me in the later periods of time. After losing those matches, I became more serious in debate and spent much more time on practicing. I was clear that there are many people with good talent, I must practise as much as possible or I could never overcome them. I watched many matches and tried to learn from those good debaters. At the same time, I did not stop participating in matches in order to gain more experiences. Besides, I recorded my mistakes in each matches for reminding myself not to make the fault again. I got much help from my coach and senior members. They taught me much with their experience in the past and suggested many methods for me to train myself. After a year, I improved a lot and was able to win in some inter-school matches.

The more I take part in those high quality matches, the more I love debate. There are many teams of different styles. Each time when I am watching a match, many ideas come into my mind and I am eager to add those elements into our team. Moreover, there are many good debaters from different schools. I always like to challenge them. This urges me to improve myself.

Today, I am the captain of the school debating team. I am clear that the world is so big but we are so small, but we never give up becoming the best team. Although this target may still be far from us, we are improving ourselves every day. It may be a dream, but it will not be just a dream. Our future depends on our dreams. We will make it if we never stop. Discovering the world is important, but it is not the final goal. We have to survive and become stronger. We do our best and aim at the best.

Before Susan Boyle joined the show, she discovered her talent and found a chance to show it off. Our school is a good place for us to discover our interest and talent. We should treasure every chance. Just before Susan's performance, everyone laughed at her. But she had confidence and performed a good show. When we move away from the campus, we may face many difficulties in the world. We may be scared by how small and powerless we are. But the key to success is never to lose our confidence. If Susan gave up because of the laughs or pressure, she would never become so famous. In the future, if Susan wants to have better achievements, she must practice more. We may have good talent, but we cannot just depend on our talent. When comparing with the people away from the campus, who are also with good talents, hard work is a must if we want to survive in and defeat them.

Lastly, no matter we are inside or outside school; we should do our best and seize chances to learn. Time is limited; we should learn more when we are given chances. And so we will have higher ability to survive in the society. Besides, we should treasure the moments of participating activities we like. Then we can have more happy memories in the future.

校長的話

Words from the Principal

親愛的神長、老師、家長和同學：

對抗逆境，自強不息。這是我們終身必修的課題。無論男女老幼，每人都有自己的困難和挑戰，但如果我們視這些困難和挑戰為成長必經之路，那麼我們便會在這些逆境中有所收獲，因為我們會不斷努力，不斷嘗試，務求找到解決困難的方法為止。

讀書也是一樣，古語有云：「讀書有如逆水行舟，不進則退。」只有透過努力學習，才会有成功的希望。

今年學校透過老師的努力，不斷增強課外活動的種類和質素，亦舉辦了一次有規模的陸運會，使同學在課本以外，累積了不少寶貴經驗。我們亦透過課程的更新和學習能力的評估，提升同學在中英數方面的能力。在靈育和德育方面，我們透過早會，老師的分享和宗教活動，使同學能掌握正確的價值觀，因而能辨別是與非。

最後，希望各同學都能成為一些時常樂觀、活力充沛、勤奮學習和懂得感恩的學生。

願天主常保佑各位！

本校一直重視教師培訓，務求令教師發揮最高的團隊精神，本年舉辦了三天教育發展日，以教學及照顧學生為中心，藉以提高教學效能；此外，學校安排時間，讓老師參加有關學科的培訓工作坊或座談會，好使教師有效及無憂地參與持續發展及進修。

本校家長教師會亦已成立十三年，家長及教師委員共有9位。本年度家長教師會舉辦了多項活動：包括親子旅行、溫故知新比賽、足球班及空手道班等。家長教師會是家長與學校之間重要溝通的橋樑，亦是本校的好幫手，本學年家長教師會招募了數十位的家長義工，參與學校及社區的服務，包括：早會時協助小一及小二同學搬運書包到其課室、於小息及午膳時段協助閱讀室工作和在午膳時段為各級同學處理家長送飯到校及跟進每月午膳供應事宜、廚藝班及賣旗等。

過去一年，感謝各方的支持及合作，更感謝一群盡心盡力的老師、職員及工友辛勞工作。如果沒有大家的支持、合作、努力及鼓勵，本校的各項活動和事務是不會順利進行的。展望將來，本校全體人員一定盡心服務，不負所望，將本校發展成一所更優秀的學校，也希望各位繼續支持本校。

最後，敬祝各位身體健康，生活愉快，亦祝各位畢業同學有更好的前程，多謝各位。

新詩創作

題目：我想

李旨游 P.6B

我想有一對強壯的腿，
到各地的山上四處走，
尋找價值連城的草藥，
拯救病入膏肓的病人。

我想有神奇的一雙手，
在別人有危險的時候，
隨時伸出援手協助他，
幫助他渡過困難時刻。

我想有一對白色翅膀，
收集有心人捐的物資，
搬到貧窮弱小的地區，
令那邊的人不用徬徨。

我想有博學多才的腦，
解決地球無數的問題，
天災金融危機正來臨，
把所有困難通通消滅。

我想擁有無限的能力，
幫助需要幫忙的人類，
把地球造得有聲有色，
令外星人都讚歎不已。

到淺水灣游泳

莊曉和 P.5A

上星期六，天氣很好，陽光明媚，清風送爽，於是我們一家人便決定到淺水灣海灘游泳。

大清早，我們很早便起床了。我們吃過早餐後，就乘坐巴士出發到目的地，沿路風景優美。到達海灘後，我看到那裡人山人海，有的人在享受日光浴，有的人在自由自在地暢泳，還有的人在拾貝殼。我們做過熱身運動後，就迫不及待地跳進海裡，我們無拘無束地游泳，把所有憂慮都忘記了。接著，我們便堆城堡，經過多次努力後，我終於成功堆了一座雄偉壯觀的城堡了！最後，我們便拾貝殼，我們一邊拾貝殼，一邊欣賞貝殼：繽紛的色彩、奇特的形狀……有的像一把打開的扇子，有的像一顆大螺絲……我突然靈機一動，用一條繩子，把貝殼連成項鍊，送給媽媽，她感到很高興。

雖然在製作項鍊的過程中，我遇到不少挫折，但卻令我學會了「失敗乃成功之母」，這天我感到既難忘又有意義。

一件小事

左龍隆 P.6B

我的床頭擺放著一張我小時候與爺爺游泳的照片。但這件事，使我十分難忘。

某年夏天，爺爺帶我到游泳池游泳。我剛下水，便喝了好幾口水，所以我每次下水的時候，總是戰戰兢兢的。爺爺說：「你扶著泳圈游吧，這樣可以令你掌握游泳的技巧。」果然，我一邊拿著泳圈，一邊游泳，終於可以輕鬆地在水中暢泳了。

兩個小時過去了，爺爺又游到我身邊了，他一下子把泳圈拿走了。我驚惶失措地大叫起來，但令我萬分驚訝的是，我居然可以浮起了。

我現在明白了，做甚麼事不要放棄，才會成功。

一個微笑

歐慶棠 P.6A

在六年小學生活中，我記憶中最深刻的是一個微笑，那模樣至今依然歷歷在目。

二年級的一次中文測驗，同學們都認真作答，課室裡靜得連一根針掉下也聽得到。忽然，我身旁的同學問我借他一枝顏色筆，但我沒有理會他，可惜亦被老師誤會我作弊，並取消了我的考試資格和罰站。我感到十分無奈，所以哭了出來。

突然，陳楚豐同學向我笑了一下，多好的微笑！那一微笑，深深的映入了我的腦海中，至今我還記得。這是真情和友誼的流露，它就像天使臉上的反光一樣，照亮了他富有特徵的面容——圓圓的臉蛋及大大的眼睛。

我和他至今仍然是管鮑之交，時常互相幫助。可惜，大家即將分道揚鑣，升上不同的中學，所以我會更珍惜這段珍貴的友情。

一次家庭爭執

陳楚豐 P.6A

由於今天是公眾假期，所以我留在家中玩遊戲機。玩了一會兒，突然想起我八歲時與哥哥爭玩電子遊戲機的情形。回想起那件事，仍感到非常慚愧。

那天做完家課後，我由房間走到客廳時，竟然看見哥哥在玩最新推出的遊戲機，心裡感到十分妒忌。為甚麼呢？因為那部遊戲機內置過千種的遊戲，十分受大眾歡迎。

由於我心裡很不甘心，所以我馬上走到哥哥面前，搶走他的遊戲機，吵架便開始了……

哥哥大聲地對我說：「還給我！」我回答說：「不！除非你把這部遊戲機送給我！」就是在搶奪遊戲機期間，我不小心把它弄破了，心裡非常驚慌。

約傍晚六時，媽媽回家了。媽媽嚴厲地斥責我把哥哥的生日禮物——遊戲機弄壞了。噢！那時我才明白，今天是他的十二歲生日。我忍着眼淚走到他面前，說了一聲「對不起」。最後哥哥原諒了我，替我拭乾了淚。

此事件後，雖然哥哥原諒了我，但我會努力地反省我一時衝動而令到別人憤怒的壞習慣。

一件有意義的事

林挈諾 P.3B

「啊！你的筆筒真的很漂亮！」我的同學在稱讚我，我開心地笑了。

上個月，學校舉行了一個廢物利用的活動。我報了名參加，可是我想了半天也沒有頭緒。這時候，我想到可以問問鬼主意特別多的表姐，所以我立即致電給她。表姐說：「你可以用廁紙筒和過期的畫報來製作筆筒。」我想：這真是一個好主意。接著，我便開始創作了，我利用那些材料做了九個不同筆筒，結果還得到了季軍呢！

從這件事，我明白了利用廢物製作有用的東西，除了可以保護地球外，更可以發揮自己的創意，真是一件有意義的事。

2008-2009年度 聖類斯中學（小學部） 家長教師會

小學家長教師會主席莊麗君女士

家校合作，共創未來； 伙伴關係，由心開始

聖類斯小學可說是麻雀雖小，五臟俱全，當我踏入小學部便發現那裡別有洞天，一切井井有條，氣氛融洽，確是學生們學習的快樂天地。老師們對學生循循善誘，悉心教導，他們義不容辭地奉獻無私的心；學校為配合現今的課程改革，鼓勵學生演出英文話劇。同學事先經過討論、編寫，然後綵排，演出的英文話劇既有內容，又有趣味，能融化學習，大大提升了他們的外語能力。

聖類斯小學是一所不斷進步、具生命力的學校，因為有校方和家長教師會彼此的合作無間。他們多年來毫不間斷地奉獻其心力和時間，因此在這短短幾年裡，學生成績表現優異，在校際比賽上亦屢獲殊榮。

過去的一年，對家長教師會來說，是繁忙的一年，亦是開心的一年。我們舉辦了多項有意義的活動，如「溫故知新」比賽、「學生敬師徵文比賽」、「聖誕嘉年華會」、又成立了「愛心義工團」和舉辦了週末科學興趣班、空手道訓練班、足球訓練班等，這些項目都為學生帶來更豐富的活動。而校方亦秉承了優良的教學傳統，推行了追求卓越創新的教育項目，如「小豆芽」小一導向課程、「飛鷹綠化計劃」等，都能令校園生活更添姿彩。

聖類斯小學是一所充滿主愛、蒙主祝福的學校，本校家長教師會亦以學生福祉為依歸。家長教師會的成功，實在有賴家長參與和支持。他們的支持構築成本會的穩固根基。在未來的日子，我們將繼續秉承家教會的宗旨，致力推動家校合作，發揮互助團結的精神！

The background of the entire page is a vibrant red, textured surface composed of numerous interlocking, three-dimensional geometric shapes, primarily triangles and polygons, creating a faceted, crystalline effect. Scattered across this red background are numerous small, identical crests of St. Louis School. Each crest is shield-shaped with a blue field containing a red cross, a yellow border, and a small figure at the base. The crests are positioned at various angles, following the orientation of the underlying geometric shapes.
